
16.0 FOREST FIRES

Forest fires have the potential to create great harm to the environment and our personnel. Be aware of the fire hazard in the area and the location of the nearest ranger station. The following phone number can be called anywhere in the province to report a forest fire:

427-FIRE (427-3473)

The following are potential causes of fires that we might encounter:

- Cigarette butts and matches
- Improper dousing of lunch and camp fires
- Placing the chainsaw muffler in contact with combustible material
- Hot transmission or engine on a vehicle (also applicable in dry stubble fields)
