
32.0 MAINTENACE PROGRAM POLICY

All tools and equipment shall be properly maintained so as to reduce risk of injuries to employees or damage to property.

Supervision shall ensure that qualified personnel according to established schedules carry out all preventive maintenance, and that records are maintained.

All employees shall regularly check all tools and equipment that they are working with, and shall take out of service any tools or equipment that poses a hazard due to a need for repair.

If equipment requires maintenance, tag it "Out of Service" and notify Randy Beirsto as soon as possible.

- The Safety information in this policy does not take precedence over Occupational Health and Safety Regulations. All employees should be familiar with the Occupational Health and Safety Act and Regulations.
